Dear Mr. Chair and other Commissioners,

Please vote no to a rate increase and an increase to the monthly service charge as part of the APS rate case.

Small business owners, such as yours truly, work hard to cover all the expenses associated with our businesses. Many of us often sacrifice time with our family and friends in order to keep our business going. We are often the first to arrive and last to leave. This comes from the devotion we have for our work and the desire to contribute to the local economy.

Please stop APS from getting any more money in charges from its customers until they prove it is really necessary and demonstrate that they are doing everything they can to cut their own costs first.

Thank you for your service,

Joan Farnum
